[11] X Cover-name now believed to have been used by the Soviet Diplomatic Courier Aleksei Nikolaevich PROKHOROV. "LEONID" was mentioned during 1944 in a number of NEW YORK-MOSCOW messages, e.g. External Serial No.596 of 1st May 1944 (S/NBF/T417), which referred to contact between him and "YURIJ" - presumably the MGB Resident in MEXICO CITY, Lev A. TARASOV.
